

Highlights • Fashionable • Highly wash resistant • Permanent adhesion

Company clothing is an important aspect of what today is often called the 'corporate identity'.

Throughout the world this kind of professional clothing is gaining interest. Fashionable, representative and uniform garments contribute to a positive image and are a clear illustration of what quality means to you.

It is manufactured using a high quality polyester cotton fibre, which contributes to its characteristic appearance. Thermocrest is highly resistant in extreme washing conditions. The heat seal coating ensures permanent adhesion, even if the garment itself is worn out.

Quantities and sizes

Thermocrest emblems can be produced from a minimum of just only 25 pieces.

For Thermocrest emblems we offer a wide range of standard sizes that can be found on our pricelist, if the required size is not there we can make it for you.
