

EASYROLL ELLIPSE

Centre Pull Dispenser

EASYROLL ELLIPSE is a centre pull paper towel dispenser for washroom, kitchen and hospitality environments. The unit accommodates any centre pull paper roll with a diameter of 210 mm and width of 230 mm. EASYROLL ELLIPSE comes with a patented adjustable tension ring, to create the right tension for paper types of different thicknesses to be dispensed in a controlled way.

The EASYROLL ELLIPSE comes with a translucent cover that enables easy inspection of paper level and is water and dust resistant to keep the towel dry and clean. The unit can be secured with the standard Kennedy key or can easily be converted for keyless opening using the opening knob that is included with the product.

Finishes available

Arctic White

Benefits

Freedom and control of Consumables

- > Takes centre pull rolls of up to a diameter of 210 mm and width of 230 mm
- > Can dispense perforated or continuous rolls
- > Patented adjustable tension ring system means controlled dispensing and minimal waste

Ease of Service

- > Translucent cover allows for fast refill status checks by staff

- > Hinged cover for convenience and speed of service
- > One security key for the whole Kennedy range
- > A keyless button for areas where key locking is not necessary

Hygiene & Image

- > Single use hand drying dispenser
- > Sleek and modern design that integrates the Ellipse range
- > IP rated water resistant to protect paper from incoming splashes of water
